The Wildcat Sanctuary (TWS) is a 501(c)3 non-profit, no-kill rescue facility, located in Sandstone, Minnesota. TWS provides for the humane rescue and sheltering of unwanted, mistreated, and neglected privately owned wildcats that pose a risk to public safety. We do not buy, breed, trade or sell animals. TWS is committed to public education about the captive wildlife crisis; offering veterinarian training opportunities; and supporting legislative solutions to the public safety issues created by private ownership of wild animals.

The Sanctuary is accredited by The Association of Sanctuaries and the American Sanctuary Association. The Wildcat Sanctuary has garnered endorsements from the Minnesota Zoo and the University of Minnesota’s Veterinary Care Program.

Lecture Includes:

- A 45 minute lecture by Dr. John Baillie and/or Dr. Courtney Blake, TWS’ Vets
 - Veterinary protocol that is followed for each incoming rescued resident
 - Common on-site procedures, common illnesses, etc.
 - Veterinary preventative/maintenance plan for TWS’ residents
 - Q&A with the vet
- See TWS’ on-site hospital and photos of some of the procedures performed
- Guided tour of the sanctuary and its over 100 residents

For the safety of our residents, we ask that all students where clean clothes and shoes.

Veterinary Lecture Registration
