## Group Volunteering Program

Group volunteering is a great way for you and your group to experience TWS and help the cats we care for. Group volunteer days help build habitats, hammocks and perches.

- Groups must consist of 6 or more people, but no more than 10, that are over the age of 18 (Contact TWS for larger groups)
- Hours of volunteering are 10 – 4 p.m.
- Please bring your own lunch and beverages
- Expect to work outside and it to be physical work
- Volunteer day includes orientation and a tour of the sanctuary
- No contact between the public and animals is permitted
- A liability release must be signed by all volunteers
- TWS is a no smoking sanctuary

The Wildcat Sanctuary (TWS) is a 501(c) 3 non-profit, no-kill rescue facility, located in Sandstone, Minnesota. TWS provides for the humane rescue and sheltering of unwanted, mistreated, and neglected privately owned wildcats that pose a risk to public safety. We do not buy, breed, trade or sell animals. TWS is committed to public education about the captive wildlife crisis; offering veterinarian training opportunities; and supporting legislative solutions to the public safety issues created by private ownership of wild animals.

The Sanctuary is accredited by The Association of Sanctuaries and the American Sanctuary Association. The Wildcat Sanctuary has garnered endorsements from the Minnesota Zoo and the University of Minnesota's Veterinary Care Program.
