

THE WILDCAT SANCTUARY

Join us in helping to provide a natural sanctuary to wild cats in need and inspire change to end the captive wildlife crisis through participation in our annual Jungle Boogie Gala.

Dear Generous Business Owner,

Believe it or not, a small, but mighty nonprofit deep in the Minnesota woods has grown into a national leader in captive wildlife rescue. The Wildcat Sanctuary was established in 1999 and has been at its location in Sandstone, MN for the last 10 years. Over that time, we've been recognized for our work by the likes of National Geographic, Animal Planet, and, most recently with a grant from Bob Barker (yes, the game show host!). In addition to the support we receive from national leaders, we are just as fortunate to have the support of our local Minnesota community that helps us grow our world-wide effort to educate people about the dangers of keeping wild animals in backyards as "pets."

Today, we ask for your support of our mission to provide a natural sanctuary to wildcats in need and inspire change to end the captive wildlife crisis. We are hosting our annual fundraiser, Jungle Boogie, on Sunday, October 14, 2018 at the newly renovated Minneapolis Marriott West. This year's theme is "The Mane Attraction," a lion-themed event in honor of our lioness Shanti Deva and the soon-to-be-rescued pride coming from Argentina! **We invite your participation through a donation of a silent auction item, a bottle of wine (value of \$20 and up), and/or a gift card (value of \$10 and up).** Your generosity will be recognized in event materials and with exposure to up to 200 animal lovers at our gala.

We know that kindness to animals makes a better world for all of us and we can make that happen with your support. We hope you will consider participating in our Jungle Boogie fundraising gala. Feel free to call me at the Sanctuary (320-245-6871) with any questions or simply mail the enclosed form by September 1, 2018.

Sincerely,

Tammy Thies

The Wildcat Sanctuary provides a natural sanctuary to wild cats in need and inspires change to end the captive wildlife crisis. We are the only accredited big cat sanctuary in the Midwest and as a true sanctuary, we do not buy, breed, trade or sell animals. Your support helps us achieve our mission!
